GEANT Open Exchange

Guy Roberts, DANTE

19 March 2014

GÉANT Open Exchange

- A pilot of the London GÉANT Open exchange was launched in October 2012

- Juniper MX based in London Harbour Exchange

- Provides Layer 2 interconnection services between the connectors

- Usage policy continues unchanged from pilot

- Details of service offering available here:

http://www.geant.net/Services/ConnectivityServices/Pages/GEANTOpen.aspx

GÉANT Open Exchange

- Production date: 1st April 2014

- Port pricing:
  - 1G: €3,300 per annum
  - 10G: €10,500 per annum
  - 100G: €36,000 per annum.

- Lead times:
  - 1 & 10G – 10 days from order.
  - 100G on request.

GÉANT Open Exchange

- Currently considering terminating the ANA 100G onto the GÉANT Open Exchange

- This increases the number of potential connectors

- GÉANT network as potential connector to GÉANT Open Exchange in London
